Subject: Letter of Recommendation for Mr. Larry Griggs

I had the pleasant opportunity to work closely with Larry for several years during my employment at two international speedways. I am pleased to say that Larry is a team player, a kind and sincere individual, and an ideal consultant for computer installation, repair and applications.

Larry always did more than his share of the work on the projects we hired him for. He was able to creatively solve all of our computer needs whenever I called on him. I was glad to work with him, since the higher-ups always praised the assignments we were able to complete. Larry was nice to everybody at the office, and just about everyone seemed to like him.

I highly recommend Larry for whatever computer projects he may decide to take up next.

Sincerely,

A handwritten signature in cursive script that reads "Tony Baranowski".
